The Executive Recruitment

Product Definition

The Executive Recruitment product proactively **headhunts** and provides **pre-screened candidates** for senior or technical roles with a **100% success rate** thus minimizing the risk of a bad hire to 0%.

The Features

Get a shortlist of 3 'fit for hire' candidates by an HR Expert within 2 - 5 weeks.

Candidate replacement will be done where hired candidate (is deemed to be unsuitable) fails to complete their 3-month probation.

Payment is only finalized once a candidate has joined the hiring company.

The Price

Dependent on position

The Solution Suitability

Experienced hiring managers have highly rated the Executive Recruitment product as the best-suited product for *Senior Career Level*, and *Specialist* roles

Job Level	Solution Suitability
